

LD2191 GRAPHITE

STALK MARKER LIGHT

R10

Description	Product Features
<p>LD 2191/GRAPHITE is a triple stalk marker light on a straight, long arm. The product is universal in terms of mounting options. It can be fitted on either the left or the right side of your vehicle. Designed for use from small trailers to trucks and semi-trailers. The light from the GRAPHITE collection features a sleek, dark shade, combining modern design with functionality for excellent visibility.</p>	<ul style="list-style-type: none"> • Front position light (white light); • Stalk marker light (orange light); • Rear position light (red light); • Operating at a universal voltage of 12/24 V, the light is characterised by low energy consumption. The light with a reflecting device has been manufactured only with branded LEDs, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high IP 68 rating and the operating temperature range of - 30°C to + 50°C make it a top quality product.
